

2019 MNRC - Final Call for Technical Paper Presentations, Posters, and Workshops

2019 MNRC FINAL CALL FOR WORKSHOP REQUESTS, ORAL PRESENTATIONS, OR POSTERS:

Abstracts must be received by COB October 15, 2018

Organizers and authors will be notified of decisions by November 9, 2018

WORKSHOPS will be considered based on proposed content related to the theme or any aspect of forestry, fisheries, wildlife, or soil and water conservation. Accepted workshops will have a maximum time slot of two hours; when applicable, please adhere to the 20 minutes per presenter format to allow audience to change venues. Presenters and facilitator are the responsibility of the workshop organizer.

ORAL PRESENTATIONS and POSTERS related to the conference theme are encouraged, but submissions dealing with any aspect of forestry, fisheries, wildlife, or soil and water conservation are welcome. Those interested in presenting a technical paper or poster presentation are asked to submit an abstract of 250 words or less.

A total of 20 minutes will be allotted to each technical paper presentation, including questions. Data projectors and screens will be provided.

Presenters of posters will be asked to accompany their poster during a special session on Wednesday evening, February 5, 2019 from 7:00-9:00PM.

ABSTRACT INSTRUCTIONS:

For workshops please include the title and primary contact/organizer including their name, affiliation, address, phone number, e-mail and abstract. For oral presentations or posters please include the title, author name(s), affiliation, address, phone number, e-mail and abstract. If more than one author is listed, underline the name of the person who will be giving the presentation. Contact information must be for the person giving the presentation. Please follow the example template below as a guide. Type all information to fit neatly on a single 8.5 by 11-inch piece of white paper with 1-inch margins on the top and sides. In a cover letter or e-mail, indicate whether the abstract is for a workshop, oral presentation, or poster.

Please provide the following information

Abstract Type: (Workshop, Oral, or Poster)
