Entry Deadline: May 19th - 7:45 a.m.

Rules

- Artificial baits only. No live bait is to be used anywhere during the tournament. Any Power Bait is considered live and is not allowed. All soft plastic baits are also considered live and will not be allowed.
- This is a CATCH-and-RELEASE tournament. All trout will be released unharmed at the end of the tournament.
- No more than SIX trout will be weighed in per team.
- In the case of a tie, the largest fish of the tying stringer determines the winner. All controversies will be settled by the Tournament Judge, Phil Lilley.
- All Missouri Fish & Game Laws will be enforced. Brown trout are required to be 20 inches or longer. To measure a trout legally- close the mouth and pinch the tail.
- Any brown caught, weighed in and killed negates any more browns from being counted towards that person's weight for the rest of the tournament. The only exception allowed is if the brown is a new Missouri state record.
- Contestants must fish from their boats. Contestants can leave their boats to use a bathroom or rest. **Absolutely no wading.**
- Each team will be required to DECLARE where they will fish, above Fall Creek or below Fall Creek. Those declaring above in the trophy area will not be allowed to weigh in any rainbows "in the slot" - between 12 and 20 inches. Those declaring below Fall Creek are not to go above Fall Creek at anytime during the tournament.
- Anyone cited for any fishing violations by the Missouri Department of Conservation during the tournament will be disqualified. In addition, anyone convicted of said violations will be barred from any future tournaments at Lilleys' Landing. Winners may be subject to a polygraph after the contest.
- A safety and tournament rules briefing will be held at 7:45 a.m. on the dock at Lilleys'. The Missouri Water Patrol may supervise the start. Life jackets must be worn at the start of the contest. Live wells will be checked at each send off.
- Teams will leave in flights if necessary. Each flight will have the same amount of fish time. Late arrivals will be penalized one ounce per minute at weigh in - no excuses. Trout must be weighed in before trailering boats.
- No chumming of any type will be tolerated. This means before, during or after the tournament.
