

## **Missouri Chapter of the American Fisheries Society**

### **Duffy Travel Award (Mid-West Fish & Wildlife Conference Travel Award)**

The Joan Duffy Memorial Travel Award honors Joan Duffy's commitment to AFS and student travel, and is a matched travel grant (up to \$200) awarded by both the Missouri Chapter and the North Central Division. The Missouri Chapter of the American Fisheries Society Student Support Trust Fund was established to assist deserving students with financial aid for their professional development in the aquatic natural resources field. Funding for the Missouri Chapter's portion of this award comes from interest earned on the Student Support Trust Fund core funds. A selection committee consisting of MOAFS members ranks applicants (with emphasis given to presenters with AFS involvement and financial need) and selects the recipient. Once selected, the award recipient is notified and presented check(s) in the amount of \$200.00 at the Mid-West Fish & Wildlife Conference. Award monies must be used for travel related expenses including lodging, registration, meals, or travel costs, for the Mid-West Fish & Wildlife Conference.

### **Eligibility**

Applicants must be, or plan to be, enrolled as an undergraduate or graduate student at a Missouri college or university pursuing a degree in the aquatics natural resource field (ex: natural resources management, fisheries science, biology, wildlife conservation, environmental science, or a related field) and traveling to the Mid-West Fish & Wildlife Conference. Applications and supporting materials must be submitted by December 5. Procedures and application are on the reverse side.

## Application

### MOAFS Joan Duffy Travel Award

To apply for this award you must complete this form, include items listed below, and submit all items to the MOAFS Student Support Committee. Electronic submissions are preferred and should be sent to [moafsstudents@gmail.com](mailto:moafsstudents@gmail.com) on or before December 5. Upon receiving your application, the Committee chair will acknowledge that your application has been received via email. If you do not receive this email within 5 days of submitting your application, it is your responsibility to contact the Committee chair to ensure that your application was received. Hard copies are accepted and should be postmarked by December 5 to: MOAFS Student Support Committee, 3500 E Gans Road, Columbia, MO 65201.
